

WEDDINGS AT THE GLEN

WHO WE ARE

DEVIL'S GLEN is just a 90-minute journey from downtown Toronto, but when you arrive, it feels like you are a lifetime away, having left your normal world behind to the setting of something special... the winding road, the towering trees, the flowing river and when you cross the bridge, the energy calms you and you begin to feel the experience of being at the Glen.

Members and guests enjoy a stunning post and beam lodge designed by renowned architect Eberhard Zeidler with expansive ceilings, ample natural light, an open floorplan and grand fieldstone fireplaces.

The Glen is a special place where moments happen. Moments that stir your soul. Moments that can't be faked. Moments that are timeless. There is nothing to compare it to. No one leaves the same as they arrived. This is the experience of being at the Glen.

THE ASCARI GROUP. We are a restaurant and event company based in Toronto, Canada. Named after 1950's Formula One racing legend Alberto Ascari (who was equally famous for his appetite as he was for his talented racing).

As part of our Hospitality Group, we are proud to own and operate ASCARI events + catering, a full-service events company located in Toronto, proudly serving corporate and private clients, events large and small, for over a decade.

Our catering menus are designed with seasonality in mind with local, fresh and sustainably sourced ingredients that are prepared with care and attention to detail. Each and every step is thoughtfully considered, from the ingredients to the level of service. In addition to bespoke menus of the same caliber one would find at any of The Ascari Group restaurants, the scope of service encompasses curated wines and spirits, full event design & décor, and quality staffing.
